

U.S. Fulbright Student/Research Program

Cassandra Alvariño

*University of North Carolina
at Chapel Hill*

University of Gothenburg

Political Science:

Sweden's bid to NATO: A product of current events or a long time coming?

Francesca DiMare

Princeton University

Lund University

Chemistry:

Transition metal-catalyzed dehydrogenation under flow for hydrogen storage applications

Isabella Garrioch

Macalester College

Umeå University

Environmental Sciences:

Breathing soils: Mycorrhizae and the carbon budget of old-growth Swedish boreal forests

Khadija Hussain

Barnard College

Lund University

Geography:

Reckoning with the housing crisis:
The rent control debate in Sweden

Michael Lucarelli

Berklee College of Music

Royal College of Music

World Music:

The nyckelharpa: Understanding the culture of Swedish folk music

Madeline Morales

University of Texas - San Antonio

Umeå University

Master's degree

Environmental Sciences:

Environmental assessment of mining pollution in Jokkmokk municipality

Naomi Murray

University of California - Davis

**Swedish University
of Agricultural Sciences
(SLU)**

Forestry:

Exploring the role of volatile communication in protecting young conifers from herbivory

Jennifer Shaneberger

University of Tennessee - Knoxville

Linköping University

Political Science:

Political rhetoric and migrant labor market integration in Sweden

Margaret Sui

California Institute of Technology

Karolinska Institute

Biology:

Fighting brain cancer: Targeting glioblastoma with DNA regulatory elements

U.S. Visiting Lecturer / Research Scholars

Dr. Ryan Bergstrom

Associate Professor
University of Minnesota-Duluth

Kristianstad University

Geography:

Place attachment and climate-driven change on the Baltic coastline of Sweden

Dr. Douglass Jacobs

Professor
Purdue University

Swedish University of Agricultural Sciences (SLU)

Forestry:

Forest regeneration and restoration to support ecosystem function for the future

Dr. Channing Prend

Postdoctoral Fellow
University of Washington- Seattle

University of Gothenburg

Oceanography:

Regional variability of air-sea-ice interactions in the Southern Ocean

Dr. Sydney Schaefer

Assistant Professor
Arizona State University - Tempe

Jönköping University

Medical Sciences:

Creating a "movement" in dementia research using Swedish older adult data

Fulbright Distinguished Scholar at Lund

Mr. David Kaye

Professor
University of California - Irvine

Lund University

Law:

Democracy, human rights, and the future of technology regulation

Fulbright Distinguished Scholar at Uppsala

Dr. Eric Weisbard

Professor
University of Alabama

Uppsala University

American Studies:

American Pop Music in a Global Context: Creating a New History
